DUES & ASSESSMENTS

Dues & Assessments

In addition to the fees described in this Merchant Application and Agreement, you must pay us all Card Organization Charges. "Card Organization Charges" means all fees, charges, liabilities, or obligations that a Card Organization imposes on us (1) in connection with your acceptance of its payment types, (2) in connection with the transactions processed under your MID, (3) as a result of your acts or omissions, or (4) as a result of the acts or omissions of others that act on your behalf or that provide services to you. Card Organization Charges are not subject to the consequential damages exclusion in Section 28 of the Program Guide and include but are not limited to: assessments (including but not limited to dues, issuer reimbursements, fines, penalties, and fraud recovery losses); fees established by the Card Organizations (including but not limited to access fees, switch fees, and file fees); adjustments; and Chargebacks.

PROGRAM

Merchant Surcharge Program

A Surcharge is an additional fee that you add to relevant transactions as permitted by the Card Organization Rules and applicable laws (together, Applicable Laws). By choosing to assess a Surcharge and participate in this "Merchant Surcharge Program" (MSP), you agree that you are solely responsible for: (1) complying with all Applicable Laws and the Your Payments Acceptance Guide (which is contained in your Program Guide); (2) properly and clearly disclosing the existence and amount of any Surcharge to Cardholders in accordance with Applicable Laws; and (3) ensuring any Surcharge you add to a transaction does not exceed the limit provided in the Card Organization Rules.

You also agree that: (1) you are assessing a Surcharge on Cardholders for certain Credit Card transactions in an amount equal to the Surcharge Rate reflected below; (2) you will pay us the Discount Fees for Credit Card and Debit Card transactions on gross sales for all of the transactions that you submit (without reduction for refunds, returns, or chargebacks); (3) you will pay us the Transaction Fee (the fixed charge per transaction reflected below for each Debit Card transaction) for each sale and refund that you submit, as well as any other fees or charges reflected in this merchant processing agreement and which are not replaced by the MSP; (4) you will not assess a Surcharge for the portion of the transaction that is tip on paper, and you will be responsible to pay us the Discount Fee for the gross amount of all tips on paper; (5) you will be responsible to refund Cardholders any Surcharge you assess in the amount billed on such transaction; (6) you will not assess a Surcharge for card not present transactions on cardholders whose billing ZIP code corresponds to states or US territories where Surcharging is prohibited by Applicable Law (including but not limited to, Colorado, Connecticut, Kansas, Massachusetts, Puerto Rico), you will be responsible to pay us the Discount Fee for such transactions, and you will comply with Applicable Laws any time you apply the MSP; and (7) we may change or cancel this Merchant Surcharge Program upon notice to you.
